SHOW INFORMATION

SHOW OFFICE

We will maintain an office on the main level of the Convention Center near the elevators that will be used by the SADA staff. We can handle any problems or questions you may have about the show. The Mystery Shopper winners should bring their certificates (and a business card) to the show office to receive their prize. Product specialists are not eligible for the mystery shopper awards. Our phones will be forwarded so you may reach us at 315-474-1041.

MOVE IN SCHEDULE

Included on the following pages are move in schedules. Please comply with the scheduled times to help make a smooth move in for all show participants. Please bring a towel or rags with the vehicles, so they can be wiped down prior to entering the building. We have arranged at least one of the loading dock bays to wash down vehicles if needed.

All displays **MUST** be ready by 4:00 pm on February 5 as the Charity Preview starts at 6:30 pm.

MOVE OUT SCHEDULE

All Vehicles must be moved out of both buildings on Sunday night except for the ballroom. The ballroom cars can be moved out if arranged in advance.

If vehicles are not taken back to the dealership, they can be left in the Oncenter garage overnight.

Be sure that you have drivers ready at 5:00 pm on Sunday and that all vehicles are moved out, so we can bring the crates back in for loading out the displays on Monday.

We will not be responsible for any damage caused to vehicles left in either building on Sunday night.

CHARITY PREVIEW

Syracuse Area Toyota Dealers, Spectrum Reach, Chevrolet Dealers, Syracuse Area Honda Dealers, TradeRev and Advance Media NY are Founders Level Underwriters for the Charity Preview. This year there will be fifteen charities participating in this function.

CHARITIES FOR FEBRUARY 2020

Maureen's Hope, Make-A-Wish Foundation, Hospice of CNY, Meals on Wheels, Access of CNY, David's Refuge, **The Newland Center**, LAUNCH, Huntington Family Centers Inc., Crouse Health Foundation, Responsive to our Community (ROC), **Food Bank of CNY**, **YMCA**, **Silver Fox Senior Center** and St. Camillus Foundation

Tickets can be purchased for \$125 each. There will be no free tickets distributed.

CAR CLEAN UP

Every dealer will be responsible for car clean up -- not only at move in, but **DAILY**. Security will need to know who will be cleaning the displays. Anyone entering the facility during NON Expo hours should enter at the security entrance on Montgomery Street and check in with our uniformed police officer.

DISPLAY MANNING REQUIREMENTS

Every display must be manned during all hours of the show. No vehicle is to be locked during the show hours. In the case of an extremely valuable vehicle, a representative must be readily available with the key. The exception will be the ballroom and the pre-function area where manning is not mandatory -- but all vehicles must be unlocked.

SECURITY

Syracuse Police will provide security throughout the show. There will be an officer in each of the Oncenter and War Memorial rooms 24 hours a day. For your own protection, we ask that you do not leave small valuable items in your display overnight, as we will not be responsible for any thefts. Computers or removable parts of your display can be stored in the show office at night if necessary. Please remember to remove any antennas, cigarette lighters and gear shifts knobs in advance to avoid having them taken. Our police officers working the night shift check all vehicles and often remove objects that they believe could be stolen. These items will be in our office at the Oncenter.

INSURANCE LIABILITY

Participating dealers are responsible for any damage that they do to the floors or walls of Oncenter. We urge that you check with your own insurance company if you are concerned about exhibit merchandise damage or theft. We will cover the liability policy as required by Oncenter.

Set up companies must provide proof of insurance to the Oncenter and SADA.

ELECTRIC WIRING

The official electrician of Oncenter must do all electric wiring. All the pertinent information is attached. This also applies to forklift operations for any display. The official personnel will handle the forklifts and dealers/exhibitors are accountable for payment of extra electrical to Oncenter. Century Decoration is the decorator and they will bill you for all services, except electric, based on drayage per 100 weight.

The Oncenter DOES NOT provide convertors/invertors - the Oncenter DOES NEED TO KNOW (when they hook up power) if you will be using one.

See the attached form and Oncenter kit.

The link to order electrical services, internet or telephone services is:

*****ALL paper forms for the Oncenter MUST be faxed 315-435-8099. The Oncenter is unable to receive financial information VIA email*****

MOVE IN -- SMALL DISPLAYERS

We will move in the small displayers on **Thursday, February 6** at 10:00 am. Displays must be completed by 3:00.

SPECIAL FUNCTION AVAILABILITY

Line makes can rent the smaller meeting rooms for special functions during our show. The rooms can accommodate small groups up to 200 for a meeting. If you are going to rent a room for meeting purposes only, call Oncenter at 315-435-8000.
