We're On the Road Again!

This week, the Syracuse Auto Dealers Association opens the doors to the 113th annual **Syracuse Auto Expo**, after a one-year hiatus. We are on the road again! The 2021 edition was only the second time in the history of this annual show that we did not host the event. The only other time was in 1945, during World War II, when there was no auto show. Obviously, we are thrilled to be back and despite the difficulties from Covid-19 and the microchip shortage, the annual community event is here.

This year's edition has some fun facets including the "Subaru Loves Pets" area where Subaru works with local animal shelters to bring in potential owners for pets needing adoption. This program has been a part of many auto shows and is very popular with the public. The Toyota Ride and Drive will have vehicles available for test drives with registration starting in the lobby area of the Oncenter/Gallagher Hall.

The most exciting part of the show is the 2022 models on display over three rooms of the facility. In the main Exhibition Hall, most domestic and some import line makes are available in a beautiful setting. Each area provides show visitors with the opportunity to view, sit in and talk to sales personnel about the features of these new cars. The truck area in the lower level of the War Memorial is accessible via the underground walkway and it provides a great opportunity to compare the many models currently available in this very popular segment of the market. Lastly, but very importantly, is a display of upscale vehicles in upper level of the War Memorial. Whether you are in the market, or just want to visit this exciting area, it is one of the most popular sections in the show.

While the last 22 months have been challenging for everyone, we want to assure show visitors that every precaution has been taken, from the entrance protocols to the mask requirements. The safety of show visitors, our staffs, and the Oncenter employees is critically important to the SADA members. From March of 2020 through this past January, many businesses and people have suffered losses due to the Covid-19 virus. More than anything, our members want to see Central New York bounce back and be vital for the wonderful people living here. As a fourth generation auto dealer, I value this area and want to see continued growth and prosperity for everyone. I love Central New York.

Please enjoy the 113th edition of the **Syracuse Auto Expo** because we are on the road again!

Dear Friends,

Welcome to the annual **Syracuse Auto Expo**! Sponsored by the Syracuse Auto Dealers Association, this year we are excited to celebrate the 113th exposition.

With over 300 new cars, trucks and recreational vehicles, the **Syracuse Auto Expo** is a great way to see what's new in automotive products from all the leading manufacturers.

The Syracuse Auto Dealers Association represents many businesses that are important contributors to our local economy. They are also critical partners in our community on a year-round basis.

We are glad you decided to join us. Enjoy the **Syracuse Auto Expo** and all of Central New York.

Sincerely,

J. Ryan McMahon II
County Executive

OFFICE OF THE MAYOR

MAYOR BEN WALSH

February 10, 2022

Dear Friends,

Welcome to the City of Syracuse! We're excited to have you with us for the 113th **Syracuse Auto Expo**. If it's been some time since you last visited us, or even if it's your first trip here, I think you'll find that there are a lot of new and exciting things happening.

Our city has a reputation for being one of the snowiest cities in the country. We offer plenty of opportunities to enjoy it, including sledding, snowshoeing, cross-country skiing and ice-skating at several locations throughout the city. If you prefer to be inside, I suggest squeezing in time to enjoy a coffee or grab a bite to eat at one of our many local spots. Downtown Syracuse and our nearby neighborhoods offer plenty of options.

Finally, I'd like to congratulate the Syracuse Auto Dealers Association on continuing this great event and thank you for the support of our community.

Sincerely,

Ben Walsh
